No you are not needed for April 25th on [REDACTED] That was my next email to you! That case has been continued as well. We do anticipate a resolution on that matter and a new date has not been chosen. I believe I still have you summonsed for the 25th however on [REDACTED] Please keep that date still open for [REDACTED] case. If it gets resolved before trial I will let you know as soon as possible. Thanks!

Sorry I didn't get back with you yesterday, but I wasn't in the lab and didn't check my e-mail. June 8th works for me. Also, out of curiosity, I believe that you previously said that you thought the [REDACTED] case might be resolved that day, and that the [REDACTED] case scheduled for trial on April 25th might also be resolved on April 20th as well. With the change of date for the [REDACTED] case, should I assume that I may be needed on April 25th now? Thanks.

This case was scheduled for April 20th, 2011. We do not have a judge that day and the case has been continued until June 8th, 2011. Please let me know if that is a good date for you. Thank you! Also you are obviously cancelled for 4/20/11. Thanks!
